

OPEN MASTERS GAMES

ABU DHABI 2026

ARCHERY

Updated: November 28th, 2025

1. General Information

A test of focus, precision, and control. Archery brings together competitors who have mastered the art of aiming and accuracy. Participants will showcase their skills using traditional and modern bows in a challenging yet rewarding competition.

Governance

The Archery events of the Games will be conducted in line with the competition rules of World Archery (W.A), the U.A.E Archery Federation and this document.

Eligibility

- It is recommended that participating athletes have experience in archery and can safely shoot the required distance for the competition.
- In line with the sport-specific rules, an athlete must compete in their designated age group, with their age determined as of 31 December 2026. For example, if you are 39 years old during the Games time but turn 40 by 31 December 2026, you would compete in the 40-44 age category.
- In line with the sport specific rules, an athlete can compete in a younger age group, however, can only enter one age category and one bow type per discipline.
- If there are insufficient entries in an age category, categories may be combined to conduct a viable competition. The awarding of medals will not be affected, that is, individuals will still be awarded medals in the age category in 3 which they originally entered.

Health Declaration

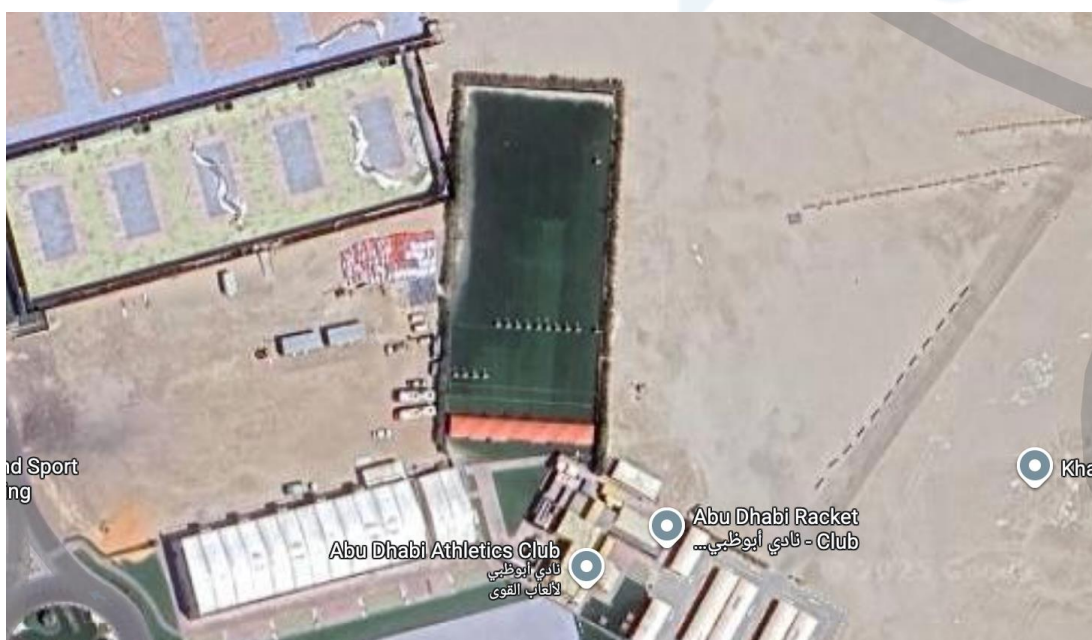

Athletes should carefully evaluate whether their physical condition is suitable for participating in the competition. If they suffer from cardiovascular or other diseases that make them not suitable to engage strenuous exercise, seeking doctor's advice is recommended to evaluate whether they can safely participate in OMGAD events.
