In line with the sport-specific rules, an athlete must compete in their designated age group, with their age determined as of 31 December 2026. For example, if you turn 40 by 31 December 2026, you will compete in the 40-44 age category.

The weigh in will be available at the competition venue from the day before and during the competition. All Kumite athletes must present a valid photo ID (passport or identity card) and their membership card from the National Federation recognised by the World Karate Federation (WKF) at the time of weigh-in.

If there are insufficient entries in an age category, categories may be combined to conduct a viable competition. The awarding of medals will not be affected, that is, individuals will still be awarded medals in the age category in which they originally entered.

Registration

Athletes with brown and black belts are also eligible to participate in the competition.

Licence requirements

Athletes must provide proof of affiliation with their National Federation, which must be recognised and affiliated with the WKF.

Athletes must provide a valid medical certificate confirming their fitness to participate in Kumite.

Equipment

The following equipment is mandatory for Kumite competitions:
